ABOUT DENTON

The City of Denton is famously home to the University of North Texas, Texas Woman's University, and a world-class music and arts scene. Located just a short drive from Dallas-Fort Worth, Denton is a town where hip intersects with historic.

There is no shortage of things to do with 4,000 acres of open space, unique restaurants and shopping, craft breweries and bars, and a vibrant downtown. Denton is also a great spot for a family-friendly outing featuring lakes and trails, museums, historic tours, and Instagram-worthy photos at the city's most popular murals.

With a population of 147,993, according to the 2021 United States Census, Denton is the 22nd largest city in Texas.

"North of Ordinary"

EDUCATION

Denton Independent School District has been committed to providing a quality education since it was founded in 1882. The district encompasses 186 square miles and contains all or parts of 18 cities, communities, or major developments. Not only does the school district community support outstanding school facilities, it demands excellence in its educational programs. It is truly an educational community where citizens are highly engaged in education - especially with two major universities and a community college within its boundaries.

Although it covers a large area, Denton ISD's unique small town community environment separates it from the growing, larger suburban school districts within the Dallas-Fort Worth Metroplex. Denton ISD is able to offer all the programs available from larger school districts while maintaining a small community climate.

SCHOOL RATINGS

As with all public school systems, Denton Independent School District receives local, state and federal ratings through a variety of initiatives, such as the Texas Education Agency's accountability rating system. Other ratings include Federal Report Card, the TEA's School Report Cards and the Community and Student Engagement Survey.

To view Denton ISD's accountability ratings, please visit:
www.dentonisd.org AND www.tea.texas.gov
