## EDUCATION

The Hurst-Eules-Bedford ISD was founded in 1958 when three cities merged their school districts in order to become more competitive and high performing. HEB ISD's rich history of excellence is demonstrated today through International Baccalaureate, Asian languages, Spanish Immersion, Core Knowledge Pre-K, and sister schools in China and India. These international programs provide HEB ISD students a world-class education that prepares them to compete in a global economy.

The District is recognized across the state and nationwide for its superior curriculum, low teacher-student ratios, and a singular focus on instructional spending. This fine-tuned combination consistently makes HEB ISD the district of choice for families who want their children to have an academic edge.
