## BASEBALL

Haslet Sports Association has made every effort to build a Baseball Program that will attract as many players as possible, from within Haslet and the surrounding communities that have a true love for the game of baseball.

HSA currently offers opportunities for players ages 3 -14 years of age, with the goal to give every child the opportunity to excel at any age. With the help of volunteer coaches, HSA strives to teach the baseball fundamentals in an environment that is both challenging and rewarding.

HSA plays under the USSSA Baseball governing body and as such will field All Star teams during the Spring Season at each age group that have the opportunity to compete in tournaments at the district, regional, state and national levels. HSA has had All Star teams compete and win at almost every level.

The Haslet Baseball Fields are located at Nance Filed on Schoolhouse Rd, behind the Haslet Fire Department.
