ABOUT LEWISVILLE

The City of Lewisville is a dynamic suburban community in the thriving North Texas region, home to approximately 100,000 residents.

Lewisville is a significant regional employer used by major corporations for both administrative headquarters and warehousing. With its location just minutes from DFW International airport, and straddling two major highways, Lewisville is perfectly positioned for easy access to the rest of North Texas and the world.

Quality schools, safe neighborhoods, family-friendly recreation options, and the most retail square footage per capita in the region - there are many reasons to choose Lewisville as your place to live, work and play.

The local gem is Lewisville lake, a bountiful 29,000-acre reservoir known as the "urban-Bass Fishing Capital of Texas". With 233 miles of shoreline and 9,000 natural acres, Lewisville is an outdoor-lover's paradise.
